ETHNIC DAY

Ethnic diversity adds richness to a society. In a world where everything is dependent on technology, there are still certain identities of us that are represented by what we wear, eat, believe and even celebrate. In spite of all these differences, the human race is bonded through peace and tranquility. Ethnic day at Sanskrithi aimed at establishing the same phenomenon and thus successful in celebrating a single world. Students embraced different cultures through dressing up with costumes of different ethnicities and danced to their musical forms. Finally a lunch is hosted by management in traditional Andhra and Rayalaseemastyle .

Findings and Suggestions:

As part of National Sports Day, we at Sanskrithi School of Engineering have successfully completed by conducting few games to all the Teaching and Non-Teaching Staff and Students on this very special occasion. As per the instructions given by the ACITE on the Launch of “Fit India Movement, 2019”. To give a much needed impetus to physical fitness and health of the citizens of India, “Fit India Movement”, will be launched by Hon’ble Prime Minister of India on 29th August, 2019 from Indira Gandhi Indoor Stadium, New Delhi.

Our Students are the future of the country and should be physically and mentally fit. It is essential that a culture of physical fitness and good health is created within every Institute for students, teaching & non-teaching staff etc. So that our campuses vibrate with healthy and energetic people full of enthusiasm for learning. Thus, we have conducted three games for both boys and girls (Cricket, Volleyball & Throwball)
