Dear Anusha Jambapuram,

Congratulations! You officially have been accepted into the Master of Business Administration – Management Information Systems program at Concordia University Wisconsin. It is a distinct pleasure to share this news with you and welcome you as an integral part of the CUW community. We are eager to provide you with a quality education in a Christian environment and also anticipate the positive contributions you will make to our university as well as the greater community as you grow in mind, body, and spirit.

Please note that since you submitted unofficial transcripts for the admissions process, prior to enrollment you must submit an official transcript to the Concordia International Center.

After evaluating your transcripts, we have determined that you have fulfilled all of the prerequisite coursework to begin your MBA program. However, you will still be required to enroll in MBA 505-Graduate Student Success prior to beginning graduate level courses.

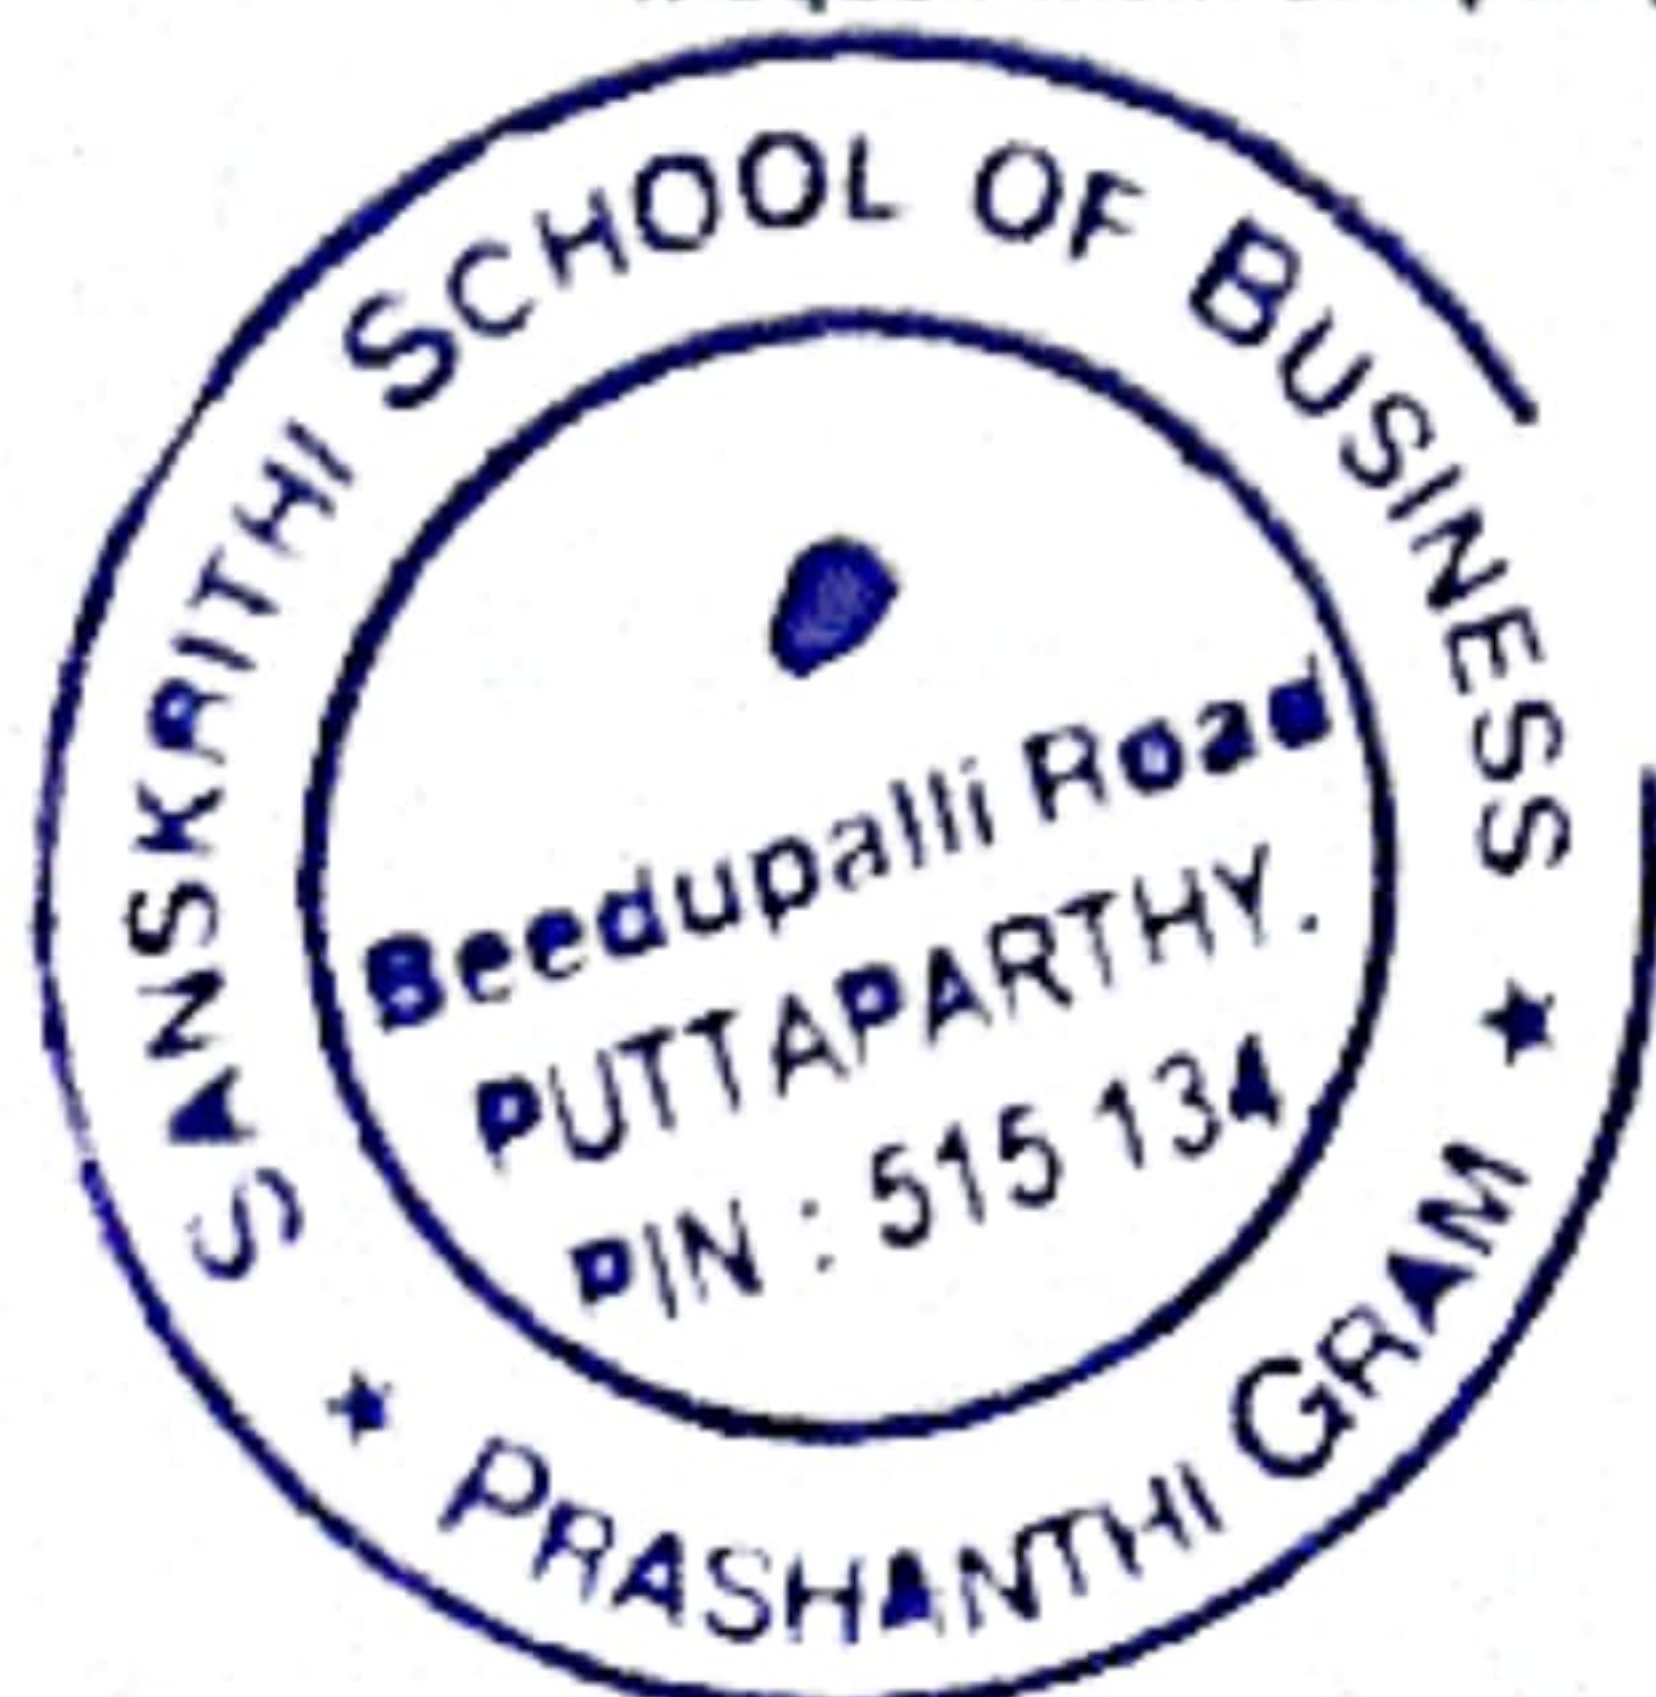

Please also make note of your Concordia student identification number, provided at the top of this letter.

Once again, welcome to Concordia University Wisconsin and congratulations on your acceptance! We look forward not only to you beginning your graduate program, but also to celebrating with you when you graduate!

Eager to help you live an uncommon life with Concordia University,

Michael Uden, Ph.D.
