Introduction

Instituted and supported by Anahatha Stiftung, Germany, the Sai Prudent Schollarship Program has supported the financial needs of students studying under the auspices of Sanskrithi Educational Society since 2010.

The Sai Prudent Scholarship program (SPS) was instituted in 2010 with the establishment of the Sanskrithi School of Business under Sanskrithi Educational Society.

Supported by the Anahata Stiftung, Germany, the noble intention behind the program was to provide financial support to those students of lesser economic backgrounds so that their aspirations to higher education are not hindered by lack of financial assistance and support. This scholarship is awarded based on financial need and is only offered to incoming SSB & SSE students who are pursuing an MBA and Engineering.

Initiated since the establishment of SSB in 2010, the program has been providing financial aid to students.

In 2015, with the establishment of Sanskrithi school of Engineering, the scholarship program extended to provide similar assistance to students studying Engineering at Sanskrithi Group.

The Sai Prudent Scholarship Program also enables these students to emerge as young professionals in the future. Since 2010, the Sai Prudent Schollarship Program has supported over 200 meritorious students amounting to out of which 55% of scholarship recipients are girls.

Since 2010, the Sai Prudent Scholarship (SPS) has been provided to deserving students every year. Over the years the number of scholarships has been increased from 20 to 30 per year. SGI is one of the only colleges in the district that provides a scholarship unaided by the Government with a transparent and timely manner. Hence the response has been growing at a tremendous rate. It has gained immense popularity over the years.

Number of students writing SPS exam

Over the years, the number of students appearing for the scholarship examination has grown by large numbers.

2021

With the positive word of mouth and goodwill of parents, SSE received tremendous windfall for admissions.
